

HOME LEARNING TASKS - KINGFISHER

Dear Parents of children in Kingfisher Class,

In order to support you in maintaining your child's learning during this difficult time, learning packs for each year group have been prepared.

As well as the activities contained within the packs, there are some more general activities that would be very beneficial for your child's learning.

- Probably the most important thing you can do with your child is encourage them to read a variety of texts. This will be particularly effective if you regularly discuss the texts that your child is reading.
- Doing some daily writing is really important. This could be an extended story, a diary or anything your child would like to do. It is really important however that your child focuses on the quality of their writing and handwriting.
- A list of Year 3/4 spelling words to practice has also been included. Your child continues to have full access to *spellingframe* to support their learning.
- Daily times tables practice is also vital. *Times Tables Rockstars* can be used to support this.
- Learn to tell the time accurately on an analogue and digital clock.

The home-learning pack contains activities that children could complete. The pack also comes with parental guidance and answers.

An e-book of ideas for creative home-learning tasks has also been included to give other ideas of tasks that can be completed at home.

Pack contents:

1. List of Year 3/4 spellings & handwriting practice.
2. Year 3 or Year 4 home learning pack
3. Year 3 or Year 4 home learning pack parental guidance
4. Creative Homework tasks for Year 3 and Year 4 children
5. Easter RE activities
6. PE activity challenge
7. French Activity
8. A blank exercise book for your child to record all the activities they do during this time.

If you have any queries about any of these activities, I can be contacted via email between 9.00am and 3.15pm from Monday to Friday.
