| Class: Owl | Year Group: Year 5 |
| Teacher email for queries: holt-williams.j@heath.shropshire.sch.uk | |
| Maths Learning | |
| <ul style="list-style-type: none">• Each day, access https://whiterosemaths.com/homelearning/year-5/ I will signpost you to the relevant week/day each morning on ClassDojo. You will find a video for pupils to watch, an activity to complete and an answer sheet. We now have access to the resource sheets and I will post these daily on ClassDojo• Regular use of https://trockstars.com/ is really important to keep times tables skills fresh• Sumdog https://pages.sumdog.com/ is also very useful to practice maths skills as is https://www.topmarks.co.uk/maths-games/7-11-years/mental-maths 'Hit the Button' from this site is particularly good.• The BBC's home learning site also provides a daily maths lesson - https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-and-p6-lessons/1• I have also provided a series of worksheets on decimal numbers. These are attached in the Year 5 resource booklet. | |
| Literacy Learning | |
| <ul style="list-style-type: none">• You have been given a 'Talk for Writing Home School Booklet' This has some fantastic activities based around the text: '<i>The Game</i>'. This booklet forms part of the Year 5 resource booklet.• You have been provided with a spelling activity booklet from The Literacy Company. This booklet is included in the attached Year 5 resource booklet.• Sumdog https://pages.sumdog.com/ also provides reading and spelling activities• Don't forget to read every day and take quizzes on Accelerated Reader. The link is: https://ukhosted12.renlearn.co.uk/2247382 | |
| Topic Work | |
| <ul style="list-style-type: none">• Our Focus for this half term is: 'Living Things and Their Habitats'• Go to www.key-resources.co.uk• Click on 'KS2 Home Web' The username is: sy132bt Password: writing• Select any of the Science – Animals topics 'Insects, Mammals, Reptiles, Sea Creatures.'• In here you will find an e-book (with three different levels of difficulty), as well as reading tasks and writing tasks linked to this book• To add to their learning in this topic, children could research information about living things and their habitats. There are many websites available but the following are a start:• BBC bitesize: Microorganisms: https://www.bbc.co.uk/bitesize/topics/zfxxsbk/articles/zsgtrwx Animals: https://www.bbc.co.uk/bitesize/topics/zn22pv4• http://www.primaryhomeworkhelp.co.uk/animals.html• https://www.twinkl.co.uk/resource/ks2-classifying-living-things-powerpoint-t-sc-2549663 | |
| Other ideas/websites to supplement learning: | |
| <ul style="list-style-type: none">• Art: Children can practice their sketching skills by drawing objects around the house or garden. Or they can draw/paint a landscape• RE: This BBC site provides a good overview of the major religions of the world: https://www.bbc.co.uk/bitesize/subjects/z7hs34j• PE: The Joe Wicks PE lesson is a good way to get moving daily https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ• PE: Keep up with the Daily Mile. This site is great: https://thedailymile.co.uk/at-home/ | |
