

**Dear Parents and Carers,**

This week started with a fantastic school trip for Owl Class! They visited Cosford RAF museum as part of their history learning this term. We are still very much getting used to going out on school trips again, so the class were all very excited, and rightly so. It was a fantastic visit and educational trips such as this really do bring learning in the classroom to life. We hope that Owl Class parents enjoyed the photos from the day, which Mr Holt-Williams shared on Class Dojo.

Today, the whole school has taken part in Hello Yellow Day! It has been great to see children arriving in their brightly coloured clothes and accessories, all to support World Mental Health Day, and to raise funds for Young Minds. Thank you all for your kind donations.

Next week, school will be closed to children on Friday, as it is PD Day, and then the half term break begins. So, children finish school on Thursday 14<sup>th</sup> October, and return on Monday 1<sup>st</sup> November.

Finally, thank you all for your very kind words, wishing me well for my move to a new school in January. I will still be here next half term to work with Miss Williams and Mrs Whelan on preparation for the Spring Term. The first event is the Zoom meeting for parents, which takes place next week, outlined below. Mrs Whelan hopes that you will be able to join her.

**REMINDERS & NOTICES**

**Well done to...**

**Parents' Evening Telephone Calls:** From Monday 11<sup>th</sup> October, parents' evening telephone calls will be made. We have sent home an options form so that you can select your preferred date and time, and if you have returned your form, you should have received a reply slip stating the date and time you have been allocated. Please call the school office if you need assistance with booking an appointment.

**Nasal Flu Immunisations:** Children from Reception up to Year 6 will be offered their immunisations on Monday 11<sup>th</sup> October. A consent form has been sent home which you must have returned in order for your child to receive this.

**Harley**, who is now a Chester Zoo junior conservation ranger! She goes to the zoo every Sunday morning to learn more about different parts of the zoo and the animals within it. Last week she spent her time in the lemur enclosure and learned about how animals use sound to locate their food, including the Aye-Ayes who tap the wood to see if there are insects within to eat.

We really enjoyed sharing this achievement in worship this week. If your child has any out-of-school achievements which they would like to share with us, please do let us know. It is great for children to celebrate things like this with their peers at school!

**WORSHIP**

This half term, in worship, we will be focusing on the Christian value of **hope**. Next week, we will be focusing on **"Jesus walks on water"** (**Matthew 14.22-33**). If children have any prayers, linked to this theme, that they would like to share during worship, they would be very welcome to do so.
