

Dear Parents and Carers,

This week, children have been very reflective and respectful as they have marked Remembrance. In class, they have been learning about Remembrance and making their own poppy tributes to decorate the school and to be shared at the Remembrance service at Fauls church on Sunday. Yesterday, we had a very thought-provoking service in school and children sat beautifully for our 2-minute silence. Take a look on Class Dojo for some photographs and videos from our service.

This morning, we were very pleased to welcome children's author, Sarah Griffiths, into school for some author workshops. She shared her new book with the children and gave signed copies to children who had ordered some, which they were very excited to receive! A huge thanks to Sarah for sharing her time and talent with us.

As Christmas fast approaches, our diary is filling up. This week, letters have been sent home about our Christmas activities/trips, and a range of important diary dates can be found below. I will update this list each week so do keep a close on eye on it. You can also find details below of our Christmas services, which I very much hope you will be able to join us for! This will be a little bit of normality that we have all very much missed!

REMINDERS & NOTICES

Christmas Church Services:

We are really pleased to announce that our Christmas church services will go ahead this year with parents being welcomed to join us! We are very much looking forward to having you joining us again! We will take the children to Fauls church on two separate days to enable us all to fit inside with a little more space to spread out, as outlined below. Save the dates!

Monday 13th December 1:30pm – Kingfisher and Owl Classes Christmas service and performance.

Wednesday 15th December 1:30pm – Hummingbird, Robin and Skylark Classes Nativity performance and service.

Well done to...

...**Bertie**, who has grown his hair and then had it cut so that he can donate it to charity. This is an amazing act of kindness, and demonstrates our Christian values. His new haircut looks fabulous too!

If your child has any out-of-school achievements which they would like to share with us, please do let us know. It is great for children to celebrate things like this with their peers at school!

WORSHIP

This half term, in worship, we will be focusing on the Christian value of **thankfulness**. Next week, we will be focusing on "**Praising God in creation**" (**Psalm 148**) to thank God for our wonderful world. If children have any prayers, linked to this theme, that they would like to share during worship, they would be very welcome to do so.
