

Dear Parents and Carers,

This week, we made an amazing start to our new geography and history topics with our exciting launch day. Thanks to everyone who joined us in wonderful costumes for this event. Nursery and Reception enjoyed being able to try different foods, and planting bulbs in our outdoor area. Years 1 and 2 brought their favourite teddies in from home and had a special teddy bears' picnic together. Years 3 and 4 were busy researching volcanoes and looking at where these are in the world. Finally, Years 5 and 6 were focusing on Ancient Egyptian civilisation and developing their understanding of chronology. In worship, each class shared an overview of their day, and there was an amazing amount of history and geography learning taking place across the school. Well done, everyone!

Our Year 5 and 6 children have loved recently embarking on their Shropshire Bookfest journey! They have been given a selection of shortlist fiction titles (published within the past two years) and are busy reading and voting for their favourite books. We can't wait to find out the title of the winning book, and to attend the live screening ceremony for all participating schools later this year. Our Year 1 and 2 children will also be taking part in Shropshire Bookfest soon, and will be reading and voting for their favourite picture books.

Have a great weekend!

Acting Head of School
