

Dear Parents and Carers,

Earlier this week, Reception-Year 6 had their 'Chance to Shine' cricket sessions. They thoroughly enjoyed these, and the coach was so impressed with their sportsmanship and the level of respect shown towards one another. Ryan (the coach) enjoyed his time with the children so much that he has agreed to come back next term!

There has been lots of other incredible learning going on in school this week too. Hummingbird, Robin and Skylark have been busy finding out about Chinese New Year. Kingfisher have been hard at work learning how to play 'Mamma Mia' on their recorders. Owl Class have been in the hall carrying out their science investigations, and you would not believe the speed at which they are now completing their maths recall tasks! Wow!

I've really enjoyed having an opportunity to teach with Miss Cavell in Kingfisher Class today and being able to work with the class on their writing journey. I've also loved looking at the delivery of our new phonics scheme in school today too.

I hope that you have a restful weekend, and I will look forward to updating you next week.

Miss Charlotte Williams
Acting Head of School

REMINDERS & NOTICES

School Council

Thank you to Miss Spain, who did a wonderful job of leading our first school council meeting in the hall on Wednesday. She met with the children to think about their responsibilities, and they got to work on a fundraising project (for the 18th of February). Next week, they will be delivering an assembly on this to the other children, and we will be sharing more information about this with you after this.

Primary PE Survey

Please remember to complete our PE survey to support the development of provision and extra curricular sporting opportunities.

The survey can be accessed by clicking [here](#) and you can be in with a chance of winning a £25 Amazon voucher!

Fundraising for School

Before Christmas, our school disco was postponed due to Covid-19. I would now like to look at opportunities to begin fundraising again. If you have any suggestions or ideas, please feel free to pop them across to me on Class Dojo or email and we can get working on this. 😊

WORSHIP

This half term, in worship, we will be focusing on the Christian value of **respect**. Next week, we will be focusing on 'valuing special places' (Matthew 21.12-17). If children have any prayers, linked to this theme, that they would like to share during worship, they would be very welcome to do so.
