

Dear Parents and Carers,

Today we enjoyed our non-uniform day. We have been overwhelmed with your generosity...lots of Easter eggs have been brought into school and I promise that I haven't tucked into any of them! These Easter eggs will become prizes, or available for purchase, as part of a mini Easter Fayre and cake sale, which will be held after school on Friday 8th April. Any donations from local businesses, or additional contributions from the community, would be greatly appreciated, as any proceeds from the event will go towards new reading books for our children. Please refer to posts on Class Dojo for more information, or message Mrs Hilditch with any queries or offers of help. 😊

Next week, our Reception and Key Stage 1 children are going to church on Wednesday afternoon. Please arrange to collect your child/ren from the church between 3pm-3:15pm. Key Stage 2 are going to church on Thursday afternoon. Please arrange to collect your child/ren from the church between 3pm-3:15pm.

Please could Y3/4 parents ensure that swimming letters are returned no later than Monday 4th April, and could Y3 parents also ensure that booster club letters are returned by this date too.

Have a wonderful weekend!

Miss Charlotte Williams
Acting Head of School

HAF

Shropshire HAF (Holiday Activities and Food) is an exciting programme of holiday activities. Children and young people who are eligible for free school meals and their families will be able to access free activities and food provision during the Easter, summer and Christmas holidays.

Children and young people are invited to take part in a range of fun activities, happening at multiple venues across the Shropshire.

After School Clubs

Please note that there are no after school clubs held next week.

This does not include our Breakfast Club and Activity Zone – spaces for these can be booked as normal via Mrs Chequer and Mrs Dakin in the school office.

We'll provide new details about our club offer next week.

If your child is eligible for free school meals, they can sign up for at least one club with no associated cost. Please just note this information on the return form.

Active Lives Survey

The Department for Education have chosen Lower Heath to take part in the Active Lives survey. This is a vital survey, as this supports the PE Premium funding. To gain the report and also the quality mark from the Department for Education, we will be working with children to complete the survey.

Please could we ask that you support us by filling in the parent survey?
