REMINDERS & NOTICES

Opportunity for Parents

Chelsea's Story Live Drama Production – The Marches School
Performances through the day on 9th and 10th May 2022
Limited free tickets available (for parents)
Book your free ticket [here](#)

We are delighted to be welcoming Alter Ego Creative Solutions back to The Marches on the 9th and 10th May with their Chelsea's Story production. This is a hard hitting innovative and powerful production highlighting the very serious and emotional issue of child sexual exploitation. The production shows how young people, boys and girls, are groomed by adults for the purposes of sexual exploitation using various methods, ensnaring young people and eventually taking complete control and dominating their lives. We know from experience how impactful these shows are and how they can make a real difference to the safety and awareness of the young people in our care. As well as ensuring all our students can see the production, we are also opening it up to our local community. The production has been seen by hundreds of professionals and parents, who state that it has helped them understand the risks and recognise the warning signs of Child Sexual Exploitation for themselves and their friends and families.

The performance is not suitable for young people under Year 7.

Olly's Football Achievement

At the weekend, Olly scored his first goal for the Whitchurch Alport U8 team which he plays for. Great work, Olly!

William's Walking Challenge

Throughout the month of May, William K is taking on a Christian Aid challenge of walking 300,000 steps! We would like to wish William lots of luck as he takes on this challenge; we are so proud of him for doing this.

WORSHIP

Next week, in worship, we will be focusing on the Christian value of **love**. If children have any prayers, linked to this theme, that they would like to share during worship, they would be very welcome to do so.
