

Talking Heads 

Friday 20th May 2022

Dear Parents and Carers,

Today, Kingfisher Class have enjoyed the Chester Dewa Experience as part of their Romans work. In the morning, they looked at what the fortress of Dewa was like and went through the on-site archaeological dig. In the afternoon, they were taken out by a Roman soldier to the Roman gardens and amphitheatre in Chester.

Next week, I will be sharing updates on the outcomes of our recent Safer Schools survey and meeting, and feedback from our parent voice survey (linked to communication and homework). I would like to thank you for the amazing responses received on both surveys – we had lots of positive comments and some really useful next steps identified too.

By the end of next week, I also hope to be able to write to you to outline the class arrangements for next academic year.

I hope that you have a wonderful weekend!

Miss Charlotte Williams
Acting Head of School
