### **Ideas for Class Worship:**

- Use of Lion Storyteller Bibles
- Focus project from *Courageous Advocacy* map
- Complete reflection journal about the value of 'fellowship' and think about this value using the window/mirror/door analogy (use template for 'fellowship' in Values Reflection Journal Book)
- Read Bible stories linked to the value of 'fellowship'
- Learn other Bible stories using drama (children could plan a worship session using the worship planning tool)
- Work on skills required for the Worship Leaders' programme and complete checklists
- Use LDBE Blue Sky Worship booklet to lead class worship in spiritual garden area outside

*Class worship will be evidenced in class worship journals*
