1. Statement of intent

The Marches Academy Trust (The Trust) is committed to providing pupils with the knowledge, skills and understanding they need to lead confident and independent lives. We want our pupils to be able to make informed decisions about next steps in education and future careers. This supports social mobility by improving opportunities for all young people, especially those from disadvantaged backgrounds and those with special educational needs and disabilities.

We aim to instil in our pupils a love of lifelong learning, so they can keep on improving and developing their skills over their lifetimes, sustain employability and achieve personal and economic wellbeing throughout their lives. We also aim to enable pupils to feel positive about themselves, improve their motivation and raise their aspirations.

Advice and guidance will be impartial and will take into account the pupil's best interests. Equal opportunities will be actively promoted, and stereotypes challenged.

15. Appendix 1 - Provider Access Policy statement

Introduction

As specified in the October 2018 Department of Education Careers guidance and access for education and training providers paper, this policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 7-11 are entitled:

- to find out about technical education qualifications and apprenticeship opportunities as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Access for Providers

A number of events are integrated into the school careers programme which would potentially offer providers an opportunity to come into school to speak to students and/or their parents. The school calendar varies from year to year so providers need to contact the member of staff named above to identify the most suitable opportunity. The events are usually arranged well in advance so it is essential that providers contact us early in the academic year to be involved in our planning. Access to students and/or parents will be granted on the understanding that information and guidance offered by providers is related to careers information relevant to the key stage and student groups and fits within the schools careers programme and curriculum. Providers will be expected to meet the school's safeguarding requirements which can be found in the Safeguarding Policy Statement accessible on the school website.

Opportunities for access

We are always actively looking to secure partnerships, work experience placements and talks from outside agencies to broaden our pupils horizons. We believe that it is essential that all of our pupils have meaningful exposure to businesses and employers in order to enhance their understanding of potential career routes when leaving school.

Our careers policy includes the events and services we offer which enable you to speak to pupils and/or their parents/carers.

Bespoke presentations

These allow you to deliver presentations and speak to a large body of pupils in either an assembly time slot (15 minutes) or one-hour lesson slot.

Employer-led skills seminars/workshops

Careers seminars give you a chance to develop the careers education of Marches pupils by teaching them application and interview skills, or providing insights about a particular industry.

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for

discussions between the provider and pupils, as appropriate to the activity.

Management of provider access requests

A provider wishing to request access should contact:

Meg Murphy, Careers and Inspiration Officer

Telephone: 01691 664400

Email: murphy.m@mmat.co.uk

Or contact the Careers Lead at your school.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Main Reception.
