

**Dear Parents and Carers,**

It was lovely to welcome so many of you to our parents' evening this week; I hope you found them useful. We look forward to seeing some of you next week too. If you were unable to attend either parents' evening, please get in touch, as class teachers are happy to arrange another time to suit.

Following our tidy up tomorrow, we're having an open afternoon next week so if you know of anyone who is looking for a primary school place for their child, please pass on the date (**Thursday, 17<sup>th</sup> November**) – see poster below. Miss Williams has organised our next Christmas Film Night too. We'll let you know what the film will be when the children have chosen it.

As you know, we are asking for home learning to focus on reading, spelling and times tables practice; I hope these tasks are proving manageable for you at home. To support with reading with your children, we would like to invite you to one of our reading drop in sessions on **Tuesday, December 6<sup>th</sup> (2:45pm and 5pm)**. Please do your best to attend one of them as success in reading has the biggest impact on future life chances. It's important we work together to support our children to become fluent and develop a love of reading.

Next week is Anti Bullying Week. This year's theme is 'Reach Out', encouraging us all to do something positive to counter the harm that bullying causes and reminding us that whether it's at home, school, in the community or online, we all have a role to offer each other support to stamp out bullying. Monday will start with an assembly, and other activities through the week will remind children about the importance of following our school values of Love, Respect and Fellowship.

Please can I ask all parents not to use the lane adjacent to school. This is a private lane so we are not permitted to use it for parking or turning.

I look forward to seeing some of you at school tomorrow! Have a great weekend everyone!

*Helen Reynolds*
