

Dear Parents and Carers,

The children have settled nicely into the new year. I've enjoyed dropping into classrooms and joined some maths lessons this week. It's great to see our new Power Maths teaching going down well and the children enjoying their maths learning.

Unfortunately, both Miss Spain and Mrs Hipkins are still too unwell to return to school. Miss Potter and Miss Bywater will remain in Kingfisher and Robin to provide consistency for our children.

Kingfisher class had a great time swimming this week. Their behaviour was excellent and they are now all sorted into their groups, ready to make progress with their technique. If you have children in Kingfisher class, please wait until 3:30pm to collect on Wednesdays.

Year 4 Multiplication Table Check (MTC) information session – Wednesday, 25th January 3:30pm and 5pm

Our Year 4 children need to be working hard on their times tables as they will complete the statutory MTC test in June. Follow this link [MTC](#) for more information – or better still, join us on the 25th so we can answer all your questions. I have noticed not many children are using Times Table Rockstars, which is a great resource to support with learning tables. Please come along to our session to learn how to use it effectively.

Collaboration Day

You should have all received information that school will be closed to all children (except nursery) on **Friday, 17th February.**

Helen Reynolds
Headteacher

CELEBRATION

Happy Birthday to:

Alyssa, Eliza K, Evelyn and Jessie who have had birthdays this week!
