

**Dear Parents and Carers,**

It has been lovely to talk to so many parents this week during our year 4 maths workshop and coffee morning. Thank you for your continued support with both your children and for the school as a whole.

The coffee morning was attended by a great group of parents who came up with lots of ideas. It is apparent many of the activities that happened prior to Covid were very much valued so we will be looking to:

- reintroduce parent lunches
- reintroduce parent drop in sessions / class assemblies
- reintroduce school discos
- organise family events e.g. quizzes and bingo
- organise more 'community days' to improve the school grounds / buildings
- link up with a local charity each year
- make more connections with local people and businesses who can share their expertise with Lower Heath.

If you would like to join this friendly group, our next drop in session is booked for 9am on 9<sup>th</sup> March. Everyone is welcome!

Skylark class had an exciting visitor this week! Simon Airey – aka, The Animal Man – called in with some of his exotic creatures to support the children’s science learning on habitats, predators and prey. Have a look on Dojo for some of the amazing photographs!

Some children from Kingfisher class are off to Manchester Arena next week to take part in Young Voices – the largest school choir in the world! Thanks go to Mrs Hilditch and Ms Vigon for taking them there. I’m sure they will have a wonderful time!

Fun with the animal man

Melting in science

Amazing homework project from Kimi

**WORSHIP**

This half term will focus on our value of Respect.

This week, we will hear about a time when Jesus became angry because people were not showing respect for a holy Temple.

LOWER HEATH CE PRIMARY SCHOOL - CHRISTIAN VALUES

**Respect**

*"Do to others whatever you would like them to do to you"*  
 Matthew 7:12
