

Dear Parents and Carers,

We reach the end of another enjoyable half-term!

Keeping our children safe is of paramount importance at Lower Heath. To support with this, children have had the NSPCC 'Speak Out Stay Safe' workshop this week with Ms Vigon. They were introduced to 'Buddy', a green speech bubble who explains to children the importance of talking to someone if they are ever worried or unhappy. Please see the poster below should you need any support for you family.

First week back after half term, we have the PD Day on Monday so school is closed. World Book Day takes place on Thursday, 2nd March – information about the day has been sent home this week. We look forward to taking part in everything 'booky' on that day. Due to the PD Day, Kingfisher and Skylark classes will have their PE coaching session moved to Friday, 3rd March.

Parents' evening booking forms were sent home this week. We'd love to welcome you all to school to find out how your children are doing. In a recent parents' survey, you requested more information about how to support your children with maths learning. As a result, Mr Holt-Williams is hosting an information session on 8th March for parents of children in years 1-3. We will be telephoning all parents who have children in these year groups to find out which session is best for you – 3:30pm or 5pm - and to explain a little more about what it is for. We look forward to seeing you then.

Thank you to those who have contacted me, asking after Miss Spain. Unfortunately, she remains unwell so will not be back after half term.

Enjoy your half term break!

WORSHIP

This half term will focus on our value of Respect. This week, we reminded ourselves of all the learning we have done this half term and shared the bible story of Daniel and the Lion's Den. After half term, we will begin looking at Faith and Trust.
