## Friday, 21<sup>st</sup> April

## Dear Parents and Carers,

Welcome back to the summer term! Well done for bringing the sun back for us! I hope everyone enjoyed some relaxing family time and is looking forward to our busy term.

Our children have settled well and are enjoying the new early morning routine, having the additional playtime with their friends. It has had a positive impact on punctuality and attendance so thank you for this. If you have paid school a visit this week, you will have noticed the outbuildings have now been demolished and the site secured in preparation for building our two new classrooms, which we hope will be ready in September.

Did anyone have a go at my little Easter project? If you remember, I asked for some 'testimonials' or videos to put on our website, sharing your views of Lower Heath. If you have anything to share, please drop me an email at helen.reynolds@low.mmat.co.uk. Mr Davies is preparing a 'school tour' video for our website too which should be ready to share soon.

We have set lots of dates for our summer term - see below. I will put all of these on a separate document so you have them all in one place!

As reading is so important to us at Lower Heath, the children have redesigned their reading areas in their classrooms. The designs were started as part of a World Book Day project and have been completed this week. Each class was given £50 to spend, which came from the fundraising over the spring term. Sarah Appleby, our English link governor, will be judging the reading areas next week, when I will share photos. It's been a really lovely project so well done everyone!

I hope everyone enjoyed the Topic Launch day!
