

Dear Parents and Carers,

Thank you to everyone who attended the Family Bingo this week! Again, it was lots of fun and some families were luckier than others! The competition was fierce!

The children have been working really hard on their assessments this week – well done to all of them!

We have had a couple of days of 100% attendance this week which is brilliant! I thought it might be useful to send you this link which gives details about minor illnesses and whether you children are well enough to attend school or not. It gives useful advice relating to coughs and sore throats which are OK to come to school with but with a high temperature, keep them at home. If at all unsure, please send your child in to school; we will always contact you if we feel they are too unwell.

Next week, we begin preparations for our summer fair. **Monday, 26th June after drop off**, we have a parent get together so sort out the logistics. Everyone is welcome to come along for a coffee and a chat. If you are unable to join us but would like to offer help, please drop me or Mrs Jenkins a line. **Friday, 30th June**, we have a **NON-UNIFORM DAY** in exchange for donations for the tombola – bottles, toiletries, nick-nacks etc. Thank you in advance!

Thursday, 29th June, we welcome our new Robin class parents in for their family lunch.

Lower Heath children really excel at art! As a result, we are holding a whole school art day on **Friday, 30th June** to celebrate their talents. Each child will work on a piece of art work inspired by an artist through the ages. The aim is to produce a polished piece which we are going to display in our school hall gallery, ready for viewing at the summer fair. There will be a chance for you purchase your child's piece of art work at the summer fair. The children will love doing this; it will give real purpose to their learning.

Helen Reynolds
Headteacher

Hope to see some of you at our parents coffee morning next week!

Breaking the myth... Relationships & Transitions

Young people go through all kinds of changes as they grow up – including when they move into a new class, go to secondary school, move to a new house or area, or experience changes within their family. You may see the following:

- Changes in sleep patterns, eating habits and behaviour

What can I do:

- Get involved with what's going on in their lives
- Keep talking, texting, sharing, sympathising, smiling.
- Be interested in what's going on in their heads.

"The first step toward change is awareness. The second step is acceptance"

Nathaniel Branden

WORSHIP

This half term's Christian Value is Fellowship. We will investigate its meaning and how we can show this value in school and in our wider community.
