

**Dear Parents and Carers,**

Welcome back to the final half term of the academic year! I hope you had a restful half term with family and friends. Perfect barbeque weather!

This week, our year 4 children were lucky enough to experience a wonderful overnight stay at Dodford Children's Holiday Farm where they took part in some lovely countryside activities: walking, pond-dipping and enjoying the wonders of nature. The children behaved brilliantly and it was a great opportunity for them to play together in different ways and with different children. We had a great time!

Next **Thursday, 15<sup>th</sup> June**, we have our next film night. The children will be voting for their film and will watch it together with popcorn and a drink. It's £3.50 per child; please pay via school money to secure your child's place.

If anyone has had a go at the 'Poetry by Heart' competition, please can you let me have your videos returned by next week as I need to send them off for judging.

On 12<sup>th</sup> June, we are welcoming parents of children moving into Robin Class in September, to come in and see 'Robin in action'. This will be an opportunity to see the start of the day routine and a phonics lesson. We look forward to seeing you then.

Next week, we say goodbye to Mrs Tilley, who has decided on a change in direction, taking up an administration position elsewhere. Mrs Jenkins will now work in Hummingbird with Mrs Langer, five days a week until the end of the year. We wish Mrs Tilley all the very best in her new endeavour.

**Polite request:** when lining up in cars at the end of the day, if you are stationary for a period of time, please can you turn off your engine to save yourself fuel and reduce pollution in the environment. Thank you.

**SCHOOL COUNCIL HEALTHY SWAPS**

At our last school council meeting, councillors expressed concern about some of the unhealthy items children were eating at lunchtime. It is great that children enjoy fruit at break times, but this isn't always transferred into lunchboxes where children reported seeing a lot of chocolate bars, crisps and not many healthy options. School Council suggested revisiting the 'Change for Life' initiative, (now part of 'Better Health') in particular, encouraging children to swap one unhealthy choice for something better. For the remainder of the term, any child who can tell an adult or year 5/6 monitor that they have made a healthy swap, they will be given a sticker and have their name put on our school council noticeboard. If you want some hints and tips, please have a look here:
