

Dear Parents and Carers,

Our year 6 children came back full of enthusiasm from their transition days at secondary school this week. This can be a daunting time for them and they have embraced it with enthusiasm. We are very proud of their maturity – well done Owls!

What great fun art day was last Friday! I hope you've seen the brilliant photos on Dojo! The plan is to now mount the children's work and display them in our Lower Heath art gallery at the summer fair. The finished products will be available to buy for £3.50 – get them now before they are worth millions!

Robin and Skylark children had a wonderful trip to Rhyl yesterday. They stroked rays and star fish and saw a seal show then played on the beach (despite the wind!). A great British holiday experience for them. Many thanks to all the adults involved who enabled this to happen, including our parent volunteers – you have created some lasting memories for our children!

Letters have gone out this week to invite everyone to the Drama Club performance of Robin Hood. The children, expertly supported by Mr Holt Williams (you should hear his singing voice!), have been practising very hard to put on an entertaining show. It would be wonderful for them to have a hall bursting with audience to make all that effort worthwhile!

Class assemblies for Owl (Tuesday) and Kingfisher (Wednesday) are next week. This will be a fantastic opportunity for children to share their term's work in all areas of the curriculum. They are always so proud to tell their grown ups about what they have learned – and I've no doubt they will impress you with all their knowledge! Please can you let your class teachers know how many will be attending so we can make sure we have enough seating for everyone. The 'shows' start at 2:30pm.

Looking forward to seeing you all on Monday 10th for our sports day – weather permitting. (17th reserve day)
 Hummingbird, Robin and Skylark: Parents arrive from 9:15. Estimated finish 11:45.
 Kingfisher and Owl: Parents arrive from 1pm. Estimated finish 3pm

Please see our next 'bio' below from the lovely Mrs Moseley!

Mrs Moseley

I qualified as a Nursery Nurse many years ago in 1996! I've worked predominately in two large inner city schools in the West Midlands before moving to Shropshire in 2018. Working in some of the most challenging schools in the West Midlands allowed me gained so much experience very quickly and also paved the way for me to do extra studying to become a qualified Learning Mentor as well as a Parent Support Advisor. I've been lucky enough to be able to use skills I learnt in my previous jobs with many other children since.

I was appointed at Lower Heath in January 2019. My main role is Teaching Assistant to Owl class – with the most amazing Year 5/6 children – but another one of my roles within school is as an Emotional Literacy Support Assistant (ELSA) as well as overseeing our Rest Easy Ambassadors at lunch-time. I love all of my roles at Lower Heath because I work alongside the most amazing group of children, colleagues and families alike.

When I'm not at Lower Heath, I enjoy spending time with my husband, and my two boys, Joshua and Oliver. As a family, we love bike riding, paddle boarding and walking our dog, Ted!

As soon as I walked into Lower Heath school, I had such a warm, inviting feeling. I enjoy working with wonderful children and adults every day. It is truly a special place and I feel privileged to have been given the chance to work here.
