

**Dear Parents and Carers,**

Thank you to those of you who completed the OFSTED Parent View questionnaire. The results were very positive and I will share them with you over the coming weeks. We always welcome your feedback to enable us to make improvements for our children and families so please do get in touch if you want to share any concerns or suggestions. The OFSTED report will be published in approximately 30 days.

We would love to welcome new children to our Lower Heath family. If you know of anyone who would like to come along to our next open afternoon, please can you share the poster below with them. Did you know that if you 'love' and 'share' Lower Heath posts on Facebook, our message spreads wider? The QR code for our Facebook page is below so we would be very grateful if you could spread the Lower Heath word!

In addition to our school council, we now have our 'One Voice' representatives. They will be leading a wellbeing project through the year along with other schools in our trust. They all attended a launch day at Marches School and are brimming with ideas for their project. Watch this space!

Parent Reading workshops are being held next week – Mrs Thomas in the office will be calling you to find out which session is best for you. We do encourage all parents of children in Robin and Skylark classes to come along as I know you are all keen to support children with reading at home. We look forward to seeing you on Tuesday, 3<sup>rd</sup>. Contact Mrs Hipkins or Mrs Leighton if you would like further information.

**Census Day**

5<sup>th</sup> October is the school census day – a letter will be sent out to share more information about this. To ensure Lower Heath receives as much funding from central government as possible, please can you do your best to ensure your child is in school on this day. In addition, if children in Robin and Skylark classes have their free school meal on this day, this generates further funding.

As always, thank you for your support!

*Helen Reynolds*

**WORSHIP**

This half term, we are focusing on the Christian value of HOPE. This week, we will think about what children hope will be different in the future.
