

Dear Parents and Carers,

Welcome back to the second half of the spring term!

The Chester Zoo trip was a 'roaring' success! Thank you to all volunteers who came along and made this trip possible. It was so lovely to have everyone together as our Lower Heath family. We will definitely look to do more whole school trips in the future.

Collaboration Day

Children had a great time at our whole school collaboration day. They worked together on various projects, trying out new skills and connecting with nature, with a view to improving their mental health. One of the projects they worked on was creating our vision board – see the photo below. Didn't they do a fantastic job! This will be on display in school soon. This week, we shared in our weekly worship, where our 'Let your light shine' motto comes from. I wonder if your children can tell you about this bible story and what it means. A big thank you to all of our TAs and parent volunteers who made this day possible.

Parents' Evening and PCP appointments

It was lovely to welcome you all to parents' evening. If you weren't able to make it, please do give us a call and our teachers will be happy to make an alternative appointment with you.

Crafternoon World Book Day

I hope you received the information about our World Book Day celebrations. We are looking forward to seeing some wonderful book character costumes, share our favourite book-cover illustrations, have our popular book swap and are excited to welcome you to our Crafternoon at 2pm.

Film Night

Don't forget to book into our upcoming film night on 11th March!

Lower Heath Provision for 2 year Olds – ACTION REQUIRED

From April 2024, working parents of 2 year olds are able to access 15 hours of free childcare. We are investigating whether there would be a demand for this at Lower Heath so I will be sending out a questionnaire and would be grateful if you could complete it with your views. There will only be a few simple questions so it won't take long.

Helen Reynolds
Headteacher

I look forward to meeting with you over the coming weeks.

WORSHIP

This half term's value is FAITH. Through the term, we will explore bible stories and real life events which lead us to understand how faith in both ourselves and in God can have a positive impact on our lives.
