

Dear Parents and Carers,

We can't wait to welcome as many of you as possible in school for the exciting events coming up over the next few weeks. Please check the dates and posters below to book your child or yourself into them. We don't want anyone to miss out!

7th March: Parent Crafternoon for World Book Day – booking required

11th March: Film Night – booking required

14th March: Family Treasure / Easter Egg Hunt – just turn up

19th March: Soopa Starz Disco – booking required

20th/21st March: Snow White performance – booking required

World Book Day

I hope you have enjoyed sharing your favourite books with your children and they have been able to draw their own front covers for our reading rivers recommendations display in our library. We are looking forward to seeing some super costumes – the children have been delighted to tell me what they are coming as. This is an optional activity so please don't feel any pressure for your children to dress up. We just want everyone to have a fun time sharing stories and a love of reading!

Lower Heath Provision for 2 year Olds – ACTION REQUIRED

Thank you to those of you who have responded about our potential 2 year old provision. If you haven't responded to the two questions already, please do so by clicking this link:

New Staff Member

Miss Megan Curry will be joining us as our Pastoral Leader on Monday 4th March. She will be based at Lower Heath for 4 days a week then support children at Tilstock on Fridays. Look out for her welcome letter coming soon.

Pick up and Drop off

Please can I urge parents not to arrive at school too early in the morning or at the end of the day to avoid congestion on the B5065. It would be a dream if there were NO CARS lined up on the road when I open the gates at 3:15. This will speed up the process for everyone and keep our school community as safe as possible. Thank you.

20 mph school zone

Related to the point above, I have had a meeting with the Local Authority this week about this issue and unfortunately, the 20 mph improvements are unlikely to happen before the end of this academic year due to staffing changes within the council Highways team. This is very disappointing as we were originally 'promised' these improvements by December 2023; we are now being told they will hopefully happen by December 2024.

Helen Reynolds
Headteacher

I look forward to meeting with you over the coming weeks.
