

Dear Parents and Carers,

This week we have distributed our curriculum overviews for the current term. The purpose of sharing these overviews is firstly, we aim to keep you well-informed about your child's educational journey. By understanding what your child is learning, you can engage in meaningful discussions about their school day and show interest in their academic progress. Secondly, we believe that this information can be a valuable resource for you to support your child's learning at home. Your own knowledge and experiences can greatly enhance your child's understanding of various subjects. Moreover, these overviews can serve as a guide for planning educational outings or activities that align with your child's current lessons. Such experiences can reinforce classroom learning and make the subjects more tangible and engaging for your child. We hope you find these curriculum overviews useful and that they facilitate a stronger connection between home and school learning. Should you have any questions or require further clarification about the content, please do not hesitate to reach out to your child's teacher. Your support and involvement in your child's education are invaluable, and we appreciate your continued partnership in fostering a rich and stimulating learning experience for our pupils.

I must address a concern regarding pick-up times at the end of the day. I have noticed cars arriving and lining up from 3pm, which blocks the road for other users. Please remember that our gates do not open until 3:15pm. Your cooperation in arriving at the appropriate time is greatly appreciated.

Our outdoor learning is proving very popular, with pupils engaging in science, PSHE, and even English lessons in Allwood world. This approach enhances their learning experience and connection with nature. We have a fabulous outdoor facility and it is wonderful to see it being used to its full potential.

I'd like to thank those who have cleared outstanding debts on School Money. However, some amounts remain unpaid. I kindly ask that you give this matter your attention. Prompt payment ensures we can allocate these funds towards your children's education.

Helen Reynolds
Headteacher

CELEBRATION

Happy Birthday to:
 Kyle, Eli and Grace who
 celebrate their birthdays this
 week.

**AWARD
 WINNERS**

Congratulations to this week's **Award winners**, who are:

Harry, Jack, Charlie B, Ralph

WORSHIP

This half term, we will be focussing on our Christian Vision – Let your light shine – learning about the links to the bible and how we, as individuals, can follow the Christian example.
