

## SEND Information Report 2024/2025

### AIMS

Our SEND Information Report aims to:

- set out how our school will support and make provision for children and young people (CYP) with special educational needs and disabilities (SEND) while working within the guidance provided in the SEND Code of Practice 2015.
- explain the roles and responsibilities of everyone involved in providing CYP with SEND.
- ensure that CYP with SEND engage in the activities of the school alongside CYP who do not have SEND.
- ensure that all CYP are provided with opportunities to achieve our school vision to 'Let your light shine' (Matthew 5:16) through Lower Heath CE Primary School's core values of love, respect, faith, fellowship and thankfulness.
- provide our CYP with a nurturing and vibrant learning environment for all to achieve their potential as part of 'Let your light shine' and the Trust's vision of 'achievement through caring'.
- work in partnership with CYP and parents/carers to enable all CYP to aspire to achieve their best.

A key principle which underpins the ethos of Lower Heath CE Community Primary School is that all CYP are valued and entitled to equality of educational opportunity. This means that all CYPs' needs are regarded as special and that the needs of CYP with learning difficulties and/or disabilities (SEND) will be addressed naturally within the school's learning policy.

### LEGISLATION AND GUIDANCE

This policy and information report is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

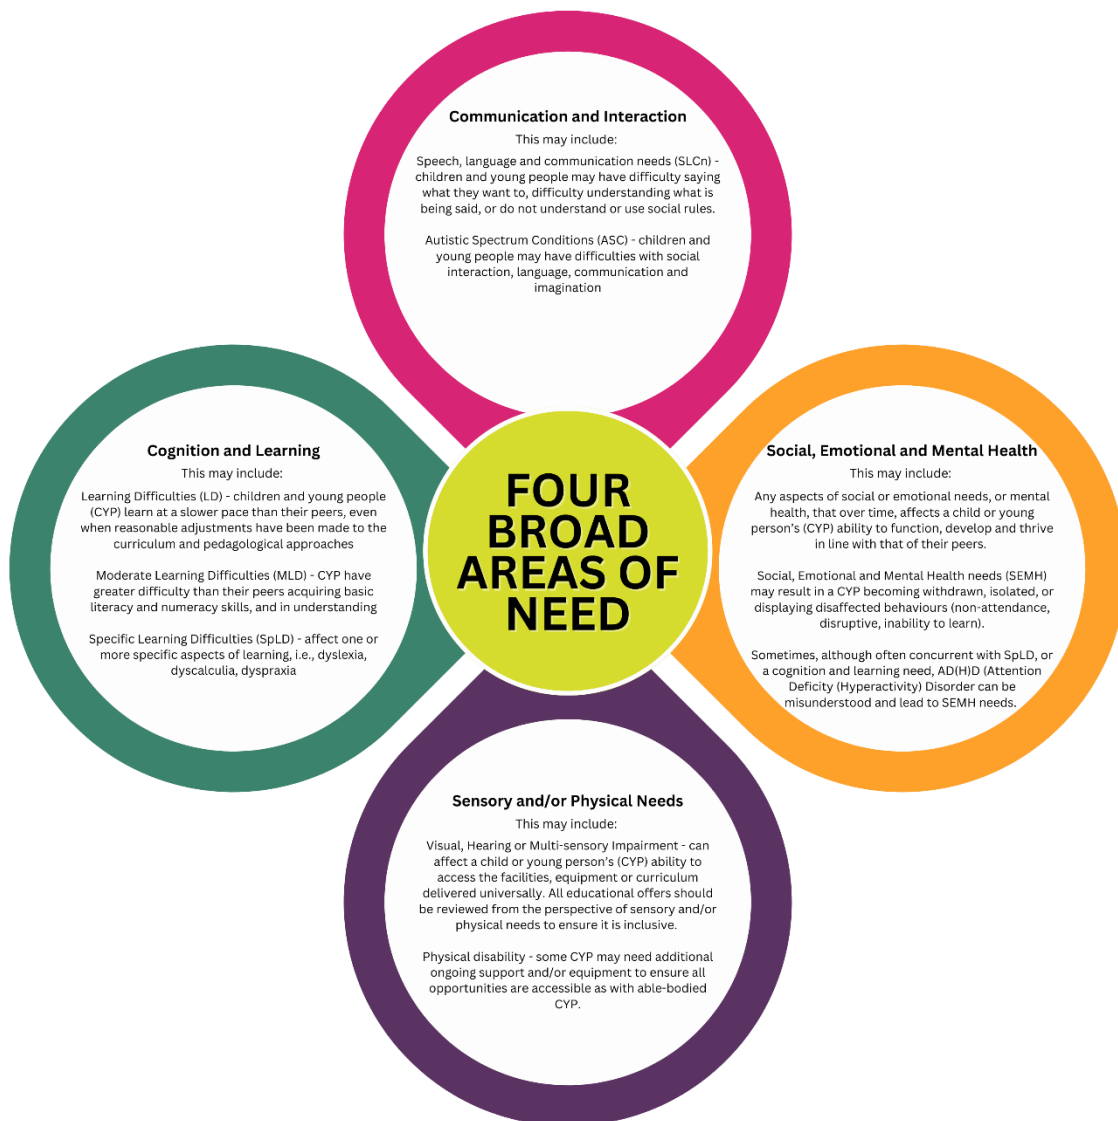

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for CYP with SEN and disabilities
- [The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for education, health and care (EHC) plans, coordinators (SENCOs) and the SEN information report

## WHAT IS A SPECIAL EDUCATIONAL NEED AND DISABILITY (SEND)?

A CYP has SEND where their learning difficulty or disability calls for special educational provision. This means provision that is different from or additional to that normally available to CYP of the same age.

The Special Educational Needs and Disability Code of Practice 0-25 Year (2015) identifies CYPs' SEND in four broad areas of need:

## WHO CAN I TALK TO ABOUT MY CHILD'S DIFFICULTIES WITH LEARNING/SPECIAL EDUCATIONAL NEEDS OR DISABILITY?

The Special Educational Needs and Disability Co-ordinator (SENDCo) for Lower Heath CE is Ms Helen Reynolds, Headteacher.

Please contact at:

Email: [helen.reynolds@low.mmat.co.uk](mailto:helen.reynolds@low.mmat.co.uk)

Tel: 01948 840524 to arrange an appointment.

She is responsible for:

- coordinating all the support for CYP with special educational needs or disabilities (SEND) and developing the school's SEND Policy and action plans to make sure all CYP get a consistent, high-quality response to meet their needs in school. This includes developing and monitoring the school's graduated response of support for our SEND CYP and supporting the assessment of progress and impact.
- ensuring the changes under the SEND Code of Practice 2015 are implemented in line with the school's SEND Development Plan.
- ensuring that parents/carers are involved in supporting their CYP's learning, kept informed about the support their CYP is getting, and involved in reviewing how they are doing.
- liaising with all the other people who may be coming into school to help support a CYP's learning e.g. Speech and Language Therapy, Educational Psychology, etc.
- updating the school's SEND register (a system for ensuring all the needs of CYP with SEND in the school are known) and making sure that there are excellent records of your CYP's progress and needs.
- providing specialist support for teachers and support staff in the school so they can help CYP with SEND in the school achieve the best progress possible.
- to evaluate, in conjunction with all relevant stakeholders, the effectiveness of the school's SEND provision.
- applying for additional support and funding where necessary for our most vulnerable CYP.
- coordinating Teaching Assistants to ensure the best support is given to the CYP on the SEND register and those with Graduated Support Plans and Education, Health and Care Plans.

Your CYP's Class Teacher is responsible for:

- checking on the progress of a CYP with SEND and identifying, planning and delivering any additional help they may need (this could be things like targeted work, additional support) and letting the SENDCo know as necessary.
- writing Person Centred Plans (PCP) and sharing and reviewing these with parents/carers at least once each term, and planning for the next term.
- completing Assess, Plan, Do and Reviews of CYPs' targets.
- ensuring that all staff working with a particular CYP in school are helped to deliver the planned work/programme for the CYP, so they can achieve the best possible progress. This may involve the use of additional adults, outside specialist help and specially planned work and resources, in addition to differentiated Quality First Teaching.
- ensuring that the school's SEND Policy is followed in all classrooms and for all the CYP they teach with SEND.
- implementing recommendations from outside agencies.

The Headteacher, Ms Helen Reynolds is responsible for:

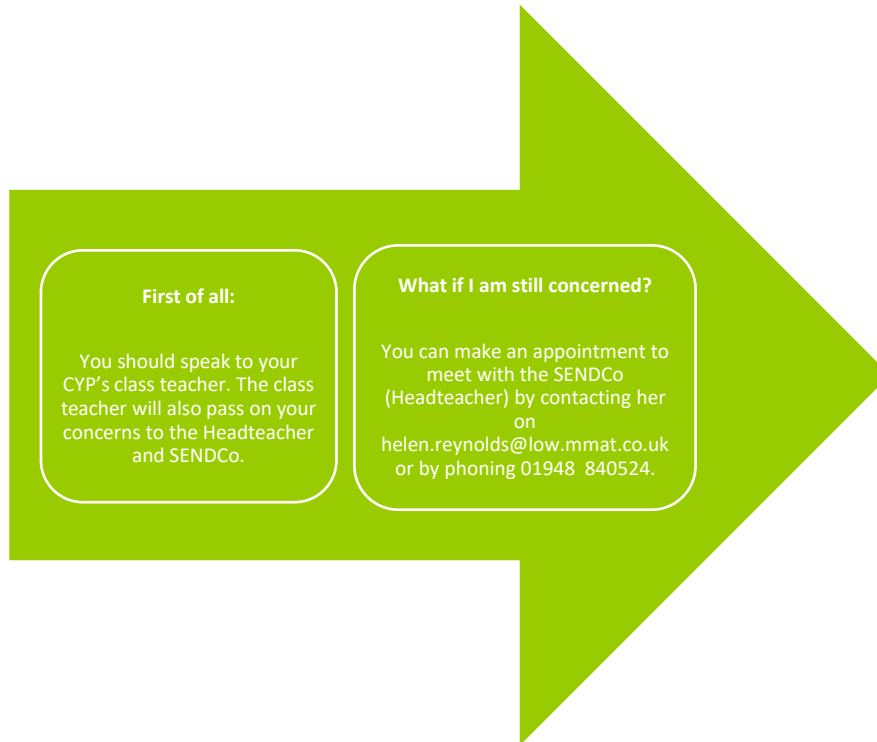

- the day-to-day management of all aspects of the school, this includes the support for CYP with SEND.
- giving responsibility to the SENDCo and class teachers but is still responsible for ensuring that your CYP's needs are met.
- making sure that the Governing Body is kept up to date about any issues in the school relating to SEND.
- support the school SENDCo in terms of budgeting the SEND provisions.

The SEND Governor, Sue Ricketts is responsible for:

- making sure that the necessary support is made for any CYP who attends the school who has SEND.
- challenging the school to ensure ALL CYPs are supported to reach their full potential.

## HOW CAN I LET THE SCHOOL KNOW I AM CONCERNED ABOUT MY CYP'S PROGRESS IN SCHOOL?

## HOW WILL THE SCHOOL LET ME KNOW IF THEY HAVE ANY CONCERNS ABOUT MY CYP'S LEARNING AND PROGRESS?

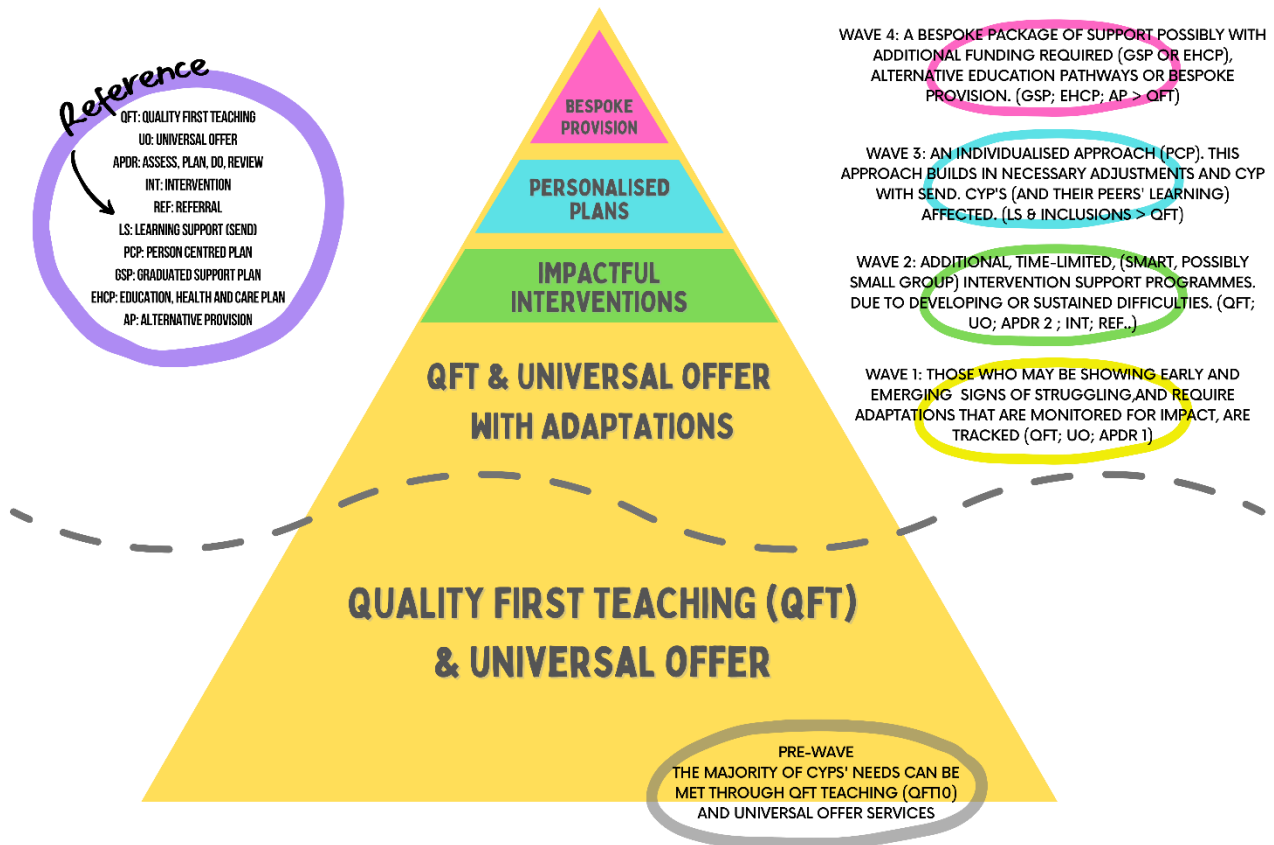

Your CYP's progress will be discussed with you at Parents' Evening each term.

If it is felt that your CYP would benefit from being on the SEND register, the school will set up a meeting with you to discuss this in further detail and to:

- listen to any concerns you may also have.
- plan any additional support for your CYP.
- discuss with you any referrals to outside professionals to support your CYP's learning.

## WHAT ARE THE DIFFERENT TYPES OF SUPPORT AVAILABLE FOR CYP WITH SEND AT LOWER HEATH CE PRIMARY SCHOOL?

Support is provided along a graduated pathway at Lower Heath CE Primary School whereby the majority of CYPs' needs are met through the Universal Offer, including Quality First Teaching. Where a CYP's needs are greater than the Universal Offer, an assessment of need will identify the appropriate next steps to support the CYP to a provision that meets their need: specific, low-level intervention, high-level intervention or an extensive provision, possibly with additional funding required, via a bespoke provision offer (Graduated Support Plan or Education, Health and Care Plan).

**Targeted classroom teaching by the Class Teacher (also known as Quality First Teaching)**

For your CYP this will mean that:

- the teacher has the highest possible expectations for your CYP and for all CYP in their class.
- all teaching is based on building on what your CYP already knows, can do and can understand.
- different ways of teaching are in place so that your CYP is fully involved in their learning. This may involve things like using more practical and visual resources.
- specific strategies (which may have been suggested by the SENDCo or outside agencies) are in place to support your CYP to learn.
- your CYP's teacher will continually check your CYP's progress and differentiated activities will be in place to address gaps in learning in order to help your CYP make the best possible progress.

All CYPs receive this as part of excellent classroom practice.

**Specific group work with a smaller group of CYP (Intervention Groups)**

Intervention Groups:

provide targeted, short term support to address a particular area of learning such as phonics, handwriting or social skills for example.

These groups are often reactive to how the CYP has progressed in their learning that morning:

- may be led inside the classroom or in a different room.
- may be led by a teacher or a teaching assistant who has had the appropriate training to lead the group.

Support through Intervention Groups is available to all CYPs, as appropriate, who have been identified as needing some extra support in order to help them make good progress. This will include CYPs on the SEND Register, as appropriate to their individual needs.

**Specialist support by an outside agency**

CYPs on the SEND Register in the category of School Support may also receive support from a member of staff from an outside agency e.g. Speech and Language Therapy (SALT), Sensory Inclusion Service (hearing and visual needs).

For your CYP this will mean:

- your CYP will have been identified by the Class Teacher/SENDCo (or you will have raised your concerns) as needing more specialist support instead of, or in addition to, Quality First Teaching and intervention groups.
- you will be asked for your permission for the school to refer your CYP to the appropriate agency.
- an appropriate professional will work with your CYP to understand their needs and make recommendations to school staff - this advice may be about particular teaching strategies or specialist resources that would benefit your CYP.

This type of support is available for CYPs with specific barriers to learning that cannot be overcome through Quality First Teaching and intervention groups.

**Specified bespoke support**

This is usually provided by a **Graduated Support Plan or Education, Health and Care Plan (EHCP)**. This means your CYP will have been identified as needing a very high level of support to access the curriculum, which cannot be provided from the budget available to the school. Usually your CYP will also need specialist support from professionals outside the school e.g. Speech and Language Therapy (SALT), the ASD Outreach Team (Spectra), Learning Support Advisory Teacher (LSAT), Sensory Inclusion Service (hearing and visual difficulties), Educational Psychology, etc.

For your CYP this will mean:

- the GSP/EHCP will outline the level of support your CYP will receive, how support should be used and what strategies must be put in place.
- the GSP/ EHCP will set out long and short term goals for your CYP.
- the EHCP will be reviewed annually.

This type of support is only available to CYPs whose learning needs are severe, complex and, in some cases, lifelong.

## IF MY CHILD REQUIRES AN EHCP, HOW DO I GET THIS?

Following intervention from both the school and outside agencies, it may be felt that your CYP's needs are particularly complex and cannot be addressed from the budget available to the school. School (or you as a parent) may wish to request that the Local Authority (LA) carry out a statutory assessment of your CYP's needs. This is a legal process which sets out the amount of support that will be provided for your CYP.

For your CYP this will mean:

You and/or the school will complete a request for statutory assessment which will provide the LA with information about your child such as attainment levels, strategies and resources that have been used in school, areas of difficulty, external professionals' advice and attendance.

The LA will then decide if your CYP's needs seem complex enough to require a statutory assessment. If this is the case, they will then ask you and all professionals involved with your CYP to write a report outlining your CYP's needs. If they do not think your CYP needs a statutory assessment, they will ask the school to continue with SEND Support.

After the reports have all been received by the LA they will decide if your CYP's needs are severe, complex and lifelong and if additional support is required to enable your CYP to make good progress. If this is the case they will write an Education, Health and Care Plan (EHCP). If this is not the case, they will ask the school to continue with SEND support.

The EHCP will outline the band of support your CYP will receive from the LA and how the support should be used and what strategies must be put in place to help your CYP meet long and short-term goals. This support may be used to support your CYP with whole class learning, run individual programmes or run small group interventions to include your CYP.

## HOW IS EXTRA SUPPORT ALLOCATED TO A CHILD AND HOW DO THEY MOVE BETWEEN THE DIFFERENT LEVELS?

The school budget includes money for supporting CYP with SEND.

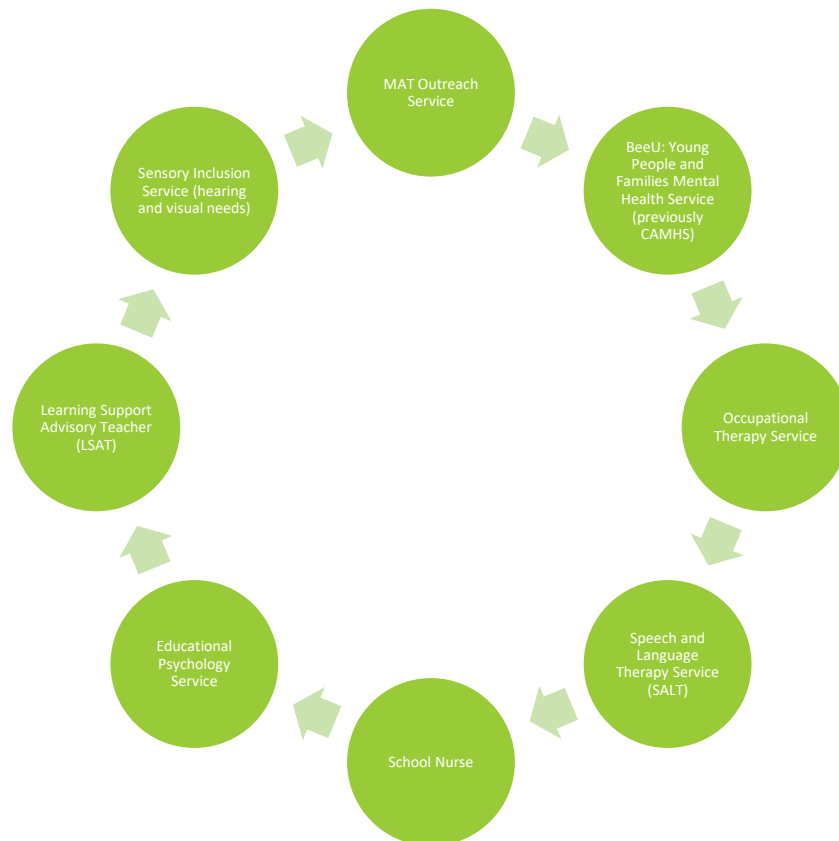

The Headteacher decides on the budget for SEND in consultation with the School Governors and SENDCo, taking into account the CYP already receiving support, the CYP needing extra support and the CYP who have been identified as not making as much progress as would be expected.

At Lower Heath, each class has an amount of Teaching Assistant time to support CYP with SEND. The Class Teacher will organise the Teaching Assistant's time and targeted support according to the CYP's needs.

If appropriate, CYPs may also be part of targeted intervention groups to address particular needs.

All resources and support are reviewed regularly, and changes made as needed.

## WHO ARE THE OTHER PEOPLE PROVIDING SERVICES TO CHILDREN WITH SEND AT LOWER HEATH CE PRIMARY SCHOOL?

## WHAT TRAINING DO STAFF HAVE TO HELP THEM MEET THE NEEDS OF CHILDREN WITH SEND?

- The SENDCo supports class teachers in planning for CYP with SEND.
- Lower Heath has a training plan for all staff to improve teaching and learning for all CYP and this includes whole school training on SEND issues such as ASD, speech and language difficulties, etc.
- Individual members of staff also attend training courses run by outside agencies that are relevant to the needs of specific CYP in their class.

## HOW WILL TEACHING BE ADAPTED FOR MY CHILD WITH SEND?

- Class teachers plan lessons taking into account the needs of all CYP in their class, including those with SEND.
- Specially trained Teaching Assistants can adapt the teacher's planning further to meet the needs of individual CYPs, if needed.
- Your CYP may also be part of an intervention group to target a particular area of learning i.e. phonics or handwriting.
- If appropriate, particular resources may be provided to help your CYP's learning i.e. writing slope, pencil grips, lap cushion, fidget toy.
- Planning and teaching will be adapted on a daily basis if needed to meet your CYP's learning needs.

## HOW DO WE EVALUATE THE EFFECTIVENESS OF THE PROVISION MADE FOR CHILDREN WITH SEND?

- All CYP, including CYP with SEND, have their progress and attainment tracked throughout the year. These assessments vary depending on the CYP's phase but may include NFER assessments, Little Wandle, class teacher assessments or EYFS screener focusing on speech and communication
- CYP progress meetings are held regularly throughout the year to identify CYP including those with SEND that are not making expected progress and the support being put in place for these CYP.
- Targeted interventions are put into place for CYP who are not making expected progress and interventions are tracked and analysed to evaluate the impact.
- Regular meetings with staff, parents/carers and CYP ensure that interventions and additional support have the desired impact on CYP's progress, attainment and personal development.

## HOW ARE CHILDREN WITH SEND FACILITATED TO ENGAGE IN ACTIVITIES AVAILABLE WITH CHILDREN IN THE SCHOOL WHO DO NOT HAVE SEND?

- We ensure that all CYP have equal opportunities.
- All our CYP are encouraged to join in a large range of extra-curricular activities.
- We ensure that our school environment is adjusted and adapted to meet the specific needs of any individual CYP.

## HOW DO WE SUPPORT THE EMOTIONAL AND SOCIAL DEVELOPMENT OF OUR CHILDREN WITH SEND?

The wellbeing of all our CYP is paramount.

- Our SENDCo is a designated safeguard lead and works very closely with the other designated safeguard leads in school to ensure that all CYP are well supported in their wellbeing.
- Our PSHE curriculum supports the needs of all CYP including those with SEND.
- For those CYP with particular social and emotional needs, targeted intervention groups are made available such as Rest Easy and Zones of Regulation.
- At Lower Heath CE Primary School we have qualified Rest Easy and ELSA practitioners who support CYP with a range of emotional needs including recognising emotions, self-esteem, social skills, friendship skills, anger management, loss and bereavement.
- Our Anti-Bullying policy outlines the school's approach to all instances of bullying. All CYP are taught about bullying and how to prevent it.
- Clear and consistent behaviour policy application promotes positive behaviour and is used across school, and also promoted during worship time.

## HOW WILL WE MEASURE THE PROGRESS OF YOUR CHILD IN SCHOOL?

- Their progress will be formally reviewed every term by the class teacher and given a level in reading, writing, grammar, punctuation and spelling and maths.
- In Nursery and Reception, progress is robustly tracked across all areas of the CYP's development.
- Lower Heath CE Primary School uses a variety of assessments to assess and monitor attainment and progress in CYP's learning.
- At the end of each key stage (i.e., at the end of year 2 and year 6) all CYP are assessed using Standard Assessment Tests (SATs). This is something the government requires all schools to do and are the results that are published nationally. If the SATs are not appropriate for your CYP due to the level of their need, they may not have to sit them.
- CYP with SEND have a Pupil Centred Plan (PCP) and Profile which will be reviewed with you each term.
- CYP PCPs, profiles and assessment data are monitored by the SENDCo each term to ensure learning approaches are appropriate and CYP with SEND are making progress.
- If your CYP has an EHCP, this will be formally reviewed with you at an Annual Review with all adults involved in your CYP's education.

## HOW IS LOWER HEATH CE ACCESSIBLE TO CHILDREN WITH SEND?

- Lower Heath CE Primary School teaching space is all on one level, with ramps where necessary, which ensures it is accessible to all CYP.
- We ensure that equipment used is accessible to all CYP regardless of their needs.
- After school clubs (including the wraparound care provision) and extracurricular activities are open to all CYP, including those with SEND.

## HOW DO WE WORK TOGETHER WITH CHILDREN WITH SEND?

- We value the opinion of all our CYP and allow regular opportunities for CYP to discuss their learning. CYP are involved in peer and self-assessing regularly and respond to marking to improve their learning.
- SEND CYP PCPs are created and reviewed with the CYP termly.
- CYP participate where possible in setting targets.

## HOW WILL WE SUPPORT YOUR CHILD WHEN THEY MOVE TO ANOTHER CLASS IN OUR SCHOOL OR THEY LEAVE LOWER HEATH CE PRIMARY SCHOOL?

We recognise that transitions can be difficult for all CYP and particularly CYP with SEND. We therefore take the following steps to ensure transition is as smooth as possible:

When your CYP moves to another class in our school we will;

- ensure teachers have a transition meeting before your CYP moves class, in order to pass on information such as CYP PCPs (including learning styles, outside agencies involved, particular interests); make a social story with your CYP, if appropriate to their needs, with details of staff and routines in the new class.
- have a 'move up day' where CYP spend the day in their new class prior to the summer break. We hope this will help to alleviate any anxieties and enables a relationship with the CYP and teacher to form prior to the September start.

If your CYP moves to another school, we will:

- contact the SENDCo at the new school and ensure they are aware of the support your CYP needs.
- ensure that all records about your CYP are passed on as soon as possible.

In Year 6 we will:

- ensure the Year 6 teacher and SENDCo liaise with staff from the secondary school to pass on information.
- provide focused learning activities about aspects of transition to support your CYP's understanding of the changes ahead.
- ensure your CYP has additional visits to their new secondary school.
- ensure the SENDCo from the appropriate secondary school is invited to your CYP's Year 6 Annual Review.

If you have any questions, concerns, complaints or compliments about our provision for CYP:

The first point of contact should be your CYP's class teacher

Appointments with the SENDCo (and Headteacher), Helen Reynolds, can be arranged by contacting the school office (01948 840524) or emailing her on [helen.reynolds@low.mmat.co.uk](mailto:helen.reynolds@low.mmat.co.uk)
