

**Dear Parents and Carers,**

This week, our children had the fantastic opportunity to participate in a story writing workshop organised by the National Literacy Trust. The live workshops, led by renowned children's authors Joseph Coelho and Tolá Okogwu, were centred around the inspiring theme "Reimagine Your World." Our young writers were encouraged to let their imaginations run wild and create unique stories that reflect their creativity and vision. The three best entries from each class will be entered into both the Marches Trust competition and the National Literacy Trust competition. With such talented writers among our pupils, we are hopeful that some of them might even become published authors! Keep your fingers crossed for our budding storytellers.

A heartfelt thank you to everyone who has supported our Bingo event with their generous donations. Thanks to your contributions, we can now purchase some fantastic prizes that will surely make the event even more exciting. Your support is greatly appreciated!

Our children enjoyed our Number Day, honing their skills with Numbots and Times Tables Rock Stars (TTRS). It was a wonderful opportunity for them to practice and improve their mathematical abilities in a fun and engaging way. Remember, these skills form the foundation of all maths work, so it's important to keep this learning going at home as well.

Next week is the last week before half term: Please note that we will be swapping the PE and outdoor learning day for Robin, Hummingbird, and Owl classes to Monday, 10th February. There will be no PE on Friday, 14th February. School will be closed for half term from Monday, 17th February to Friday, 21st February. We look forward to **welcoming children back on Tuesday, 25th February**. Please remember that Monday, 24th February is a staff training day.

There will be no bulletin next week. Thank you for your continued support and cooperation. We hope you have a restful and enjoyable half term break!
