

Dear Parents and Carers,

We are incredibly proud of our Year 6 pupils who have just completed their SATs. Over the past year, they have shown remarkable resilience, determination and focus. Every single child gave their all, rising to the challenge with maturity and a positive attitude. Whether it was tackling tricky maths problems or reading with care and concentration, they approached each test with courage and commitment. We also want to say a huge thank you to all our parents and carers. Your support - both emotionally and academically - has been invaluable. From helping with revision at home to offering encouragement and reassurance, you've played a huge part in making sure the children felt ready and confident. We couldn't have done it without you! Whatever the results, we are already so proud of what our pupils have achieved and the wonderful young people they are becoming.

Refreshing The Marches Trust Vision – We Need Your Voice!

The Marches Academy Trust is looking ahead to the future and wants to refresh its Vision and Mission Statement. The current motto, *Achievement Through Caring* and *#TogetherWeGrow*, has served us well, but it's time to create something new – something that reflects who we are now and where we want to go as a family of schools.

The Executive Team has shared a draft idea to inspire us:

- **Vision:** *Standing Out Together*
- **Mission:** *An inclusive, inspiring learning community where everyone grows in confidence, celebrates difference, and achieves excellence. Through collaboration, resilience and kindness we stand out individually and together.*

We'd love to hear your thoughts! Please speak with your child's teacher, share ideas at the school gate, or email us directly. We'll be feeding back to the Trust team on 18th June.

Make the most of this wonderful weather while we have it!

We're Excited for Enterprise Week!

Next week marks the start of our very first *Enterprise Week* at Lower Heath, and we can't wait to see what our budding entrepreneurs create! The children have already begun discussing their ideas for the products or services they'll be selling!

As this is a brand-new initiative for us, we'd really value your feedback once the week is complete. Your thoughts will help us reflect and improve the experience for future years.

We'd love for you to join us at the Enterprise Fair, where the children will be showcasing and selling their carefully crafted creations. It promises to be a fun and inspiring event; and we'll be keeping an eye on which class makes the most profit. Who knows, we might just have a few future Elon Musks in our midst!

WORSHIP

Summer 1 half term, we will be focussing on our Christian Value of LOVE.

Our Bible story linked to this value is 'The Lost Sheep'. Follow this link to hear the story read beautifully by Eli: [The Lost Sheep](#)

The Christian value of LOVE teaches our children the importance of caring for and seeking out those who are lost or in need, just as the shepherd in The Lost Sheep story searches to find the one sheep who has been lost from his flock. This story illustrates that every individual is valuable and deserving of love and compassion.
