

Dear Parents and Carers,

Another busy week at Lower Heath, and we're excited to share some updates with you!

We'd like to share that while we had expected Miss Lewis to be with us part-time next year, the part-time maternity cover position at Tilstock has become a full-time position, which Miss Lewis has been offered and accepted. As a result, she will now be at Tilstock entirely until September 2026. While we are very sad Miss Lewis won't be with us at Lower Heath next year, we wish her every success in this exciting next chapter for her!

Before half-term, Enterprise Week was a huge success; our children showed fantastic creativity and business skills. Thank you to everyone who came to support them at the fair! After calculating percentage profits (taking the amount of 'start-up capital' into account), Kingfisher class emerged as winners, with Robins close behind. Teachers will now be reflecting with pupils on their experience, discussing what worked well and what they might do differently next time. Classes can now use their earnings however they choose, giving them the freedom to spend it on anything that interests or benefits them! Well done Kingfishers!

Our Summer Fair is fast approaching, and we are looking for volunteers to help make it a fantastic event! We would love to include lots of games for the children, but we simply don't have the staff to supervise them all. If you can lend a hand, please do get in touch with Sarah in the office.

The Scholastic Book Fair is here until Wednesday next week. Feel free to drop in and browse some wonderful books after drop-off in the morning (until 9am) or after school at your leisure. Prices start from just £2.50, and every purchase helps us earn free books for the school.

Finally, our Lower Heath Choir shone brightly at Shropshire Sings this week: the event was an absolute joy! The children sang beautifully, and the support from home in learning the songs was truly appreciated. We are already

WORSHIP

This half term, we will be focussing on our Christian Value of FELLOWSHIP.

Our Bible story linked to this value is 'Esther was a Star'. Follow this link to hear the story read beautifully by Ava: [Esther was a Star](#)

Fellowship is about building strong, supportive relationships rooted in kindness, trust and shared purpose. In today's world, where division and isolation can often take hold, fellowship reminds us of the power of community. For children, learning about fellowship helps them value teamwork, empathy and inclusion - skills that are essential for creating a caring and connected society.
