

Dear Parents and Carers,

What a fantastic week it's been at Lower Heath!

Our KS2 sports afternoon was a brilliant success, filled with close matches, enthusiastic participation, and plenty of fun. Every child gave it their all, showing great sportsmanship and team spirit. The highlight? Possibly the *dad's egg and spoon race*, which brought out some unexpected competitive streaks and lots of laughs!

We were also incredibly proud of the 12 children who took their Speak and Shine, English Speaking Board exams this week. They truly shone, overcoming nerves and speaking with confidence and clarity. The examiner was very impressed, and we'll share the results with you as soon as they arrive. Well done to each and every one of them!

On Thursday, our One Voice children had a wonderful morning at Shrewsbury School. They represented us beautifully, speaking with other children and adults about all the amazing work they've done to support our community. Although Tilstock took home the prize, our children did us proud and left feeling inspired to do even more next year.

A quick reminder for Year 6 parents: please contact the office to book your places for the **Friday night dinner**. It's a special event to celebrate the children's time with us, and we'd love to see everyone there.

Thank you, as always, for your continued support. We're heading into the final stretch of the term, and there's still so much to look forward to!

**Churro Cake**
A delicious, tender-crumbed cake with swirls of cinnamon and a crisp sugar coated topping, served with a rich chocolate sauce.

WORSHIP

This half term, we will be focussing on our Christian Value of **FELLOWSHIP**.

Our Bible story linked to this value is 'Esther was a Star'. Follow this link to hear the story read beautifully by Ava: [Esther was a Star](#)

Fellowship is about building strong, supportive relationships rooted in kindness, trust and shared purpose. In today's world, where division and isolation can often take hold, fellowship reminds us of the power of community. For children, learning about fellowship helps them value teamwork, empathy and inclusion - skills that are essential for creating a caring and connected society.
