

Dear Parents and Carers,

What a vibrant and exciting week it's been across the school! This week marked our Transition Days, and the energy has been truly infectious. A special mention goes to our Year 6 pupils, who returned from their secondary school visits absolutely buzzing with excitement. One pupil summed it up perfectly: *"I'm not nervous now!"* It's wonderful to see them feeling confident and ready for their next chapter.

Meanwhile, the rest of the school enjoyed a range of creative activities designed to help them feel a sense of belonging in their new classrooms. The displays they've produced are full of colour, imagination, and pride – a fantastic way to start the new academic year.

KS1 Sports Day was a joyous occasion, filled with smiles, cheers, and team spirit. We were lucky to squeeze it in just before the temperatures soared on what turned out to be the hottest day of the year! KS2 pupils rounded off their golf learning in spectacular style with a trip to St George's Park. They took part in an afternoon of golfing activities and were thrilled to meet professional golfers Ian Poulter and Sam Horsfield, who were incredibly generous with their time and encouragement. It was a day to remember!

I'd like to say a huge thank you to everyone who supported our Summer Fair. Thanks to your generosity and enthusiasm, we raised an amazing £1,200! These funds will go towards replacing our very rickety outdoor seating, helping to create a safer and more welcoming space for our children.

Looking ahead, we're excited to invite you to our Class Assemblies at 2:30pm next week:
Kingfisher Class – Tuesday 8th July, Owl Class – Wednesday 9th July

We also look forward to welcoming you to the KS2 Sports Afternoon on Monday, 7th (1:10pm start) which promises to be another highlight of the term.

Thank you for your continued support – here's to another fantastic week ahead!

WORSHIP

This half term, we will be focussing on our Christian Value of FELLOWSHIP.

Our Bible story linked to this value is 'Esther was a Star'. Follow this link to hear the story read beautifully by Ava: [Esther was a Star](#)

Fellowship is about building strong, supportive relationships rooted in kindness, trust and shared purpose. In today's world, where division and isolation can often take hold, fellowship reminds us of the power of community. For children, learning about fellowship helps them value teamwork, empathy and inclusion - skills that are essential for creating a caring and connected society.
