

Dear Parents and Carers,

It was wonderful to welcome so many of you to our Growing Readers Together session this week. Thank you for taking such a keen interest in supporting your children with their most important life skill. Our thanks go to Mrs Hipkins and Mrs Leighton for organising the session and to the children for 'performing' so brilliantly! If you couldn't attend this week, please do your very best to join us on Monday, 16th March at 5pm for the same session (but with a video of the children!)

Our One Voice Bright Sparks had a very exciting week as they presented their project ideas to a 'Dragons Den' to try and gain funding. They shared their plans for the Great Big School Clean and for a vegetable growing competition that will run in the summer term. Their mission is to encourage children to volunteer, help others and make healthy choices. The group presented to a panel of six adults, including Marches Trust Executive Director of Finance, Charlotte Allsopp. They spoke confidently and clearly and were delighted to secure £80 of a maximum £100 to support their work. Please do join us for the Great Big School Clean. Any amount of time you can spare will help make their project even more meaningful.

A big shout out this week goes to our fantastic Lower Heath football team who secured a brilliant win at the Varsity football tournament. The children represented the school with pride, determination and great teamwork.

We are also excited to share that we are in the process of organising a one night residential to PGL Boreatton Park in Baschurch for Kingfisher Class in July. Watch out for further details. This will be such an exciting opportunity for the children.

A little reminder - our parent survey is still open, and we would really appreciate your views. Your feedback, both positive and constructive, helps us move forward. Here is the link: [PARENT SURVEY](#)

Please also make sure you book your place for our Easter Service. Thank you to those who let me know the link was not working correctly. This should now be fixed: [EASTER SERVICE](#)

Thank you for your continued support.

WORSHIP

After half term, our Christian value is **Faith**, inspired by the Bible story of Noah and the Ark. In this story, Noah chooses to trust God even when others doubt him, showing us that faith means believing in what we cannot yet see and staying hopeful through challenging times.

We will be encouraging children to persevere, stay positive and believe in themselves, helping them understand that faith can guide us through uncertainty and give us the courage to do what is right.
